1 Purpose of the Software

JVerbnet is a Java library for interfacing with the University of Colorado’s Verbnet data. It features API calls to retrieve verb classes by their id numbers, associated Wordnet keys or Propbank groupings. The library includes no GUI elements, and is written for Java 1.5.0. The software is free to use for all purposes, as long as proper copyright acknowledgment is made.

JVerbnet does not include the Verbnet data directly. The Verbnet data itself must be downloaded separately from the Verbnet site at http://verbs.colorado.edu/~mpalmer/projects/verbnet.html.

2 Getting Started

The main interface for accessing dictionary data is the edu.mit.jverbnet.index.IVerbIndex interface. The standard implementation of this interface is the edu.mit.jverbnet.index.VerbIndex class. In the simplest case, where you are using Verbnet with the data files on the same filesystem as your Java program, you can instantiate the VerbIndex class with a single argument, a Java URL object that points to the directory where the Verbnet dictionary data files are located.

An example of this can be found in Listing 1, in the form of a Java method testIndex(). In the method, the first block (lines 4-5) deals with constructing a URL object that points to the Verbnet data files. This path will probably be different on your system depending on where your Verbnet files are located. The second block of code (8-9), constructs an instance of the default VerbIndex object, and opens it by calling the open() method. The final block (12-21) demonstrates searching the index for a particular verb and printing out some information. The final numbered block of code shows the console output of the method. Listing 2 shows the console output of the method.
public void testIndex() throws Exception {

    // make a url pointing to the Verbnet data
    String pathToVerbnet = "/path/to/your/verbnet/directory/";
    URL url = new URL("file", null, pathToVerbnet);

    // construct the index and open it
    IVerbIndex index = new VerbIndex(url);
    index.open();

    // look up a verb class and print out some info
    IVerbClass verb = index.getRootVerb("hit-18.1");
    IMember member = verb.getMembers().get(0);
    Set<IWordnetKey> keys = member.getWordnetTypes().keySet();
    IFrame frame = verb.getFrames().get(0);
    FrameType type = frame.getPrimaryType();
    String example = frame.getExamples().get(0);
    System.out.println("id: " + verb.getID());
    System.out.println("first wordnet keys: " + keys);
    System.out.println("first frame type: " + type.getID());
    System.out.println("first example: " + example);
}

Listing 1: Basic use of JVerbnet

id: hit-18.1
first wordnet keys: [bang%2:35:00, bang%2:35:01]
first frame type: NP V NP
first example: Paula hit the ball.

In those jurisdictions in which the right to collect royalties through any statutory or compulsory licensing scheme can be waived, the Licensor reserves the exclusive right to collect such royalties for any exercise by You of the rights granted under this License if Your exercise of such rights is for a purpose or use which is otherwise than noncommercial as permitted under Section 4(b) and otherwise waives the right to collect royalties through any statutory or compulsory licensing scheme; and,

iii. Voluntary License Schemes. The Licensor reserves the right to collect royalties, whether individually or, in the event that the Licensor is a member of a collaborative society that administers voluntary licensing schemes, via that society, from any exercise by You of the rights granted under this License that is for a purpose or use which is otherwise than noncommercial as permitted under Section 4(c).

The above rights may be exercised in all media and formats whether now known or hereafter devised. Licensor are hereby reserved, including but not limited to the rights set forth in Section 4(d).

4. Restrictions.

The license granted in Section 3 above is expressly made subject to and limited by the following restrictions:

a. You may Distribute or Publicly Perform the Work only under the terms of this License. You must include a copy of, or the Uniform Resource Identifier (URI) for, this License with every copy of the Work You Distribute or Publicly Perform. You may not offer or impose any terms on the Work that restrict the terms of this License or the ability of the recipient of the Work to exercise the rights granted to that recipient under the terms of the License. You may not sublicense the Work. You must keep intact all notices that refer to this License and to the disclaimer of warranties with every copy of the Work You Distribute or Publicly Perform or Publicly Display the Work. You may not impose on the Work any additional rights, terms, or conditions that are not granted under, and are in addition to, the terms of this License. You may not remove or alter any notice in the Work that refers to this License or the disclaimer of warranties.

b. If You Distribute, or Publicly Perform the Work or any Adaptations or Collections, You must, unless a request has been made pursuant to Section 4(a), keep intact all copyright notices for the Work and provide, reasonable to the medium or means You are utilizing: (i) the name of the Original Author (or pseudonym, if applicable) if supplied, and/or if the Original Author and/or Licensor designate another party or parties (e.g., a sponsor institute, funding entity, journal) for attribution (“Attribution Parties”) in Licensee’s copyright notice, terms of service or by other reasonable means, the name of such party or parties; (ii) the title of the Work if supplied; (iii) to the extent reasonably practicable, the URI, if any, that Licensee specifies to be associated with the Work, unless such URI does not refer to the copyright notice or licensing information for the Work; and, (iv) consistent with Section 3(b), in the case of an Adaptation, a credit identifying the use of the Work in the Adaptation (e.g., “French translation of the Work by Original Author,” or “Screenplay based on original Work by Original Author”). The credit required by this Section 4(e) may be implemented in any reasonable manner; provided, however, that in the case of a Adaptation or Collection, at a minimum such credit will appear, if a credit for all contributing authors of the Adaptation or Collection appears, then as part of those credits and in a manner at least as prominent as the credits for the other contributing authors. For the avoidance of doubt, You may only use the credit required by this Section for the purpose of attribution in the manner set out above and, by exercising Your rights under this License, You may not implicitly or explicitly assert or imply any connection with, sponsorship or endorsement by the Original Author, Licensor and/or Attribution Parties, or otherwise, of You or Your use of the Work, without the separate, express prior written permission of the Original Author, Licensor and/or Attribution Parties.

Sections 1, 2, 5, 6, 7, and 8 will survive any termination of this License.

b. Subject to the above terms and conditions, the license granted here is perpetual (for the duration of the applicable copyright in the Work). Notwithstanding the above, Licensor reserves the right to release the Work under different license terms or to stop distributing the Work at any time; provided, however, that in the case of a Adaptation or Collection, at a minimum such credit will appear, if a credit for all contributing authors of the Adaptation or Collection appears, then as part of those credits and in a manner at least as prominent as the credits for the other contributing authors.

c. Except as otherwise agreed in writing by the Licensor or as may be otherwise permitted by applicable law, if You Reproduce, Distribute or Publicly Perform the Work either by itself or as part of any Adaptations or Collections, You must not distort, mutilate, modify or take other derogatory action in relation to the Work which would be prejudicial to the Original Author’s honor or reputation.
